

JOHNNY EXPRESS

Tractor-Trailer Combination \$9⁹⁶ without batteries

Build a fleet of trucks—all you need is this basic tractor-trailer combination. Trailer detaches; other units shown on this page hook up securely. Guide the tractor, control the speed, even hook up the units with the remote control unit and cord you hold in your hand. Johnny Express has a strong steel support, rugged plastic body. 33x11x8 inches. Order 2 "D" batteries. 79 N 5835L—Shipping weight 7 pounds..... \$9.96
79 N 4660—"D" Battery. Shipping wt. each 4 oz.... Each 16c; 4 for 60c

Fork Lift \$1⁷⁹
Actually lifts cargo (at right) on pallets to loading height by turning hand wheel. Plastic and metal. 9x3x7 in. high. 49 N 5705—Wt. 2 lbs...\$1.79

18-pc. Cargo Set \$1⁷⁹
Three oil drums, 11 crates with wood-effect texture (in 3 sizes), 4 pallets that can be lifted by fork lift (at left). Plastic. 49 N 5704—Wt. 2 lbs...\$1.79

Turns right or left . . goes slow or fast . . forward or reverse . . all by remote control

Build a complete JOHNNY EXPRESS Fleet . . units lock on tractor-trailer bed

Troop Carrier \$4⁸⁹
Forward armored section contains gun turret which turns 360 degrees, fires play shells and missiles. Has armed missile racks on side. Canvas canopy covers troop area. Plastic and metal. 24 inches long. 79 N 5862C—Shpg. wt. 5 lbs.. \$4.89

Dump Body \$3⁸⁷
It not only looks real, it works! Unit can be tilted 30 degrees, opening rear door and releasing load. Capacity is 750 cubic inches. Smooth interior. Plastic with metal hinges. 24x8x11 inches high. 79 N 5836C—Wt. 5 lbs.... \$3.87

Liquid Tanker actually holds water \$4⁵⁹
Like the troop carrier and dump body at left, this sturdily-built unit can be securely locked onto the basic Johnny Express tractor-trailer (above) to create a completely new motorized toy. It's constructed to look real, right down to the detailed auxiliary engine in the rear. Liquid can be poured into tanker through opening in the top, then can be released by a valve underneath. Plastic with aluminum tube. 26 inches long, 11 inches high. 79 N 5843L—Shipping weight 6 pounds. \$4.59

NOTE: The 3 units above and the bridge below are accessories to the Tractor-Trailer above. Tractor-Trailer is not included with these.

Pontoon Bridge . . over 5 feet long \$4⁴⁹

Ramps at both ends make it easy to guide Johnny Express up and across, down and off this realistic-looking span. Comes with 4 detachable guard rails, 4 pontoons, and a crossing gate with stop sign that can be raised and lowered. Plastic 12 inches wide, 4 inches high. Unassembled. 79 N 5703C—Shipping weight 6 lbs..... \$4.49
